Profile

Passionate about Full Stack Developer, with a demonstrated ability to learn quickly and adapt to new challenges. Seeking a challenging role where I can apply my knowledge and gain practical experience, and contribute to the progress of the organization as well as myself.

TRAINING

Data Structures and Algorithm-Self Paced 05/2022 – 06/2022

- Got to know about various advanced algorithms
- Investigate specialized sorting methods like Radix Sort and Counting Sort

ReactJS Training - Hitbullseye 02/2022 – 03/2022

- Mastered React's core concepts for building dynamic UI.
- Learned about various Components, Hooks, API's with Redux, Authentication and Authorization.

SKILLS

Languages : C++, JavaScript
Frameworks : React.js
Libraries : React, Redux, Tailwind CSS, Nodejs
Databases : MongoDB, MySQL, DBMS
Data Modelling : XML, JSON
Web-Tools : APIs, Git, Firebase, Bootstrap, Postman
Platforms : MS Windows, Ubuntu

Education

B.Tech, Lovely Professional University, Computer Science and engineering - 7.86 2020 – 2024

Intermediate, Maharaja harendra kishore, Science - 66.4% 2018 – 2020

Projects

Auction Website 📄 03/2024 – 04/2024

- Developed a dynamic auction platform using React, Firebase, and Firebase Storage, featuring realtime bidding, notifications for new bids, and a progress bar to track auction status.
- Implemented a "Buy Now" option for the highest bidder upon auction completion, ensuring secure transactions and item delivery within 10 days.

Fertilizer Ecommerce Website 📄 08/2023 – 09/2023

- Developed a user-friendly E-commerce website tailored for farmers and individuals to easily add fertilizer products for their fields. The platform will feature robust Firebase authentication to ensure secure access, coupled with a sleek Material-UI design for an intuitive and visually appealing experience.
- Utilizes React.js for frontend development, integrates Redux Toolkit for efficient state management, and incorporates Stripe for secure payment processing.

Personal Portfolio 📄 03/2023 – 04/2023

- Created a Personal Portfolio using React, showcasing skills, projects, and experience.

Certificates

- DSA From GFG 📄
- React JS From Udemy 📄
- Node.Js From Udemy 📄
- Cloud From Udemy 📄
- DBMS From Spring Board 📄
- Code-a-Thon Collage Event 📄
